

Round 3 Answers

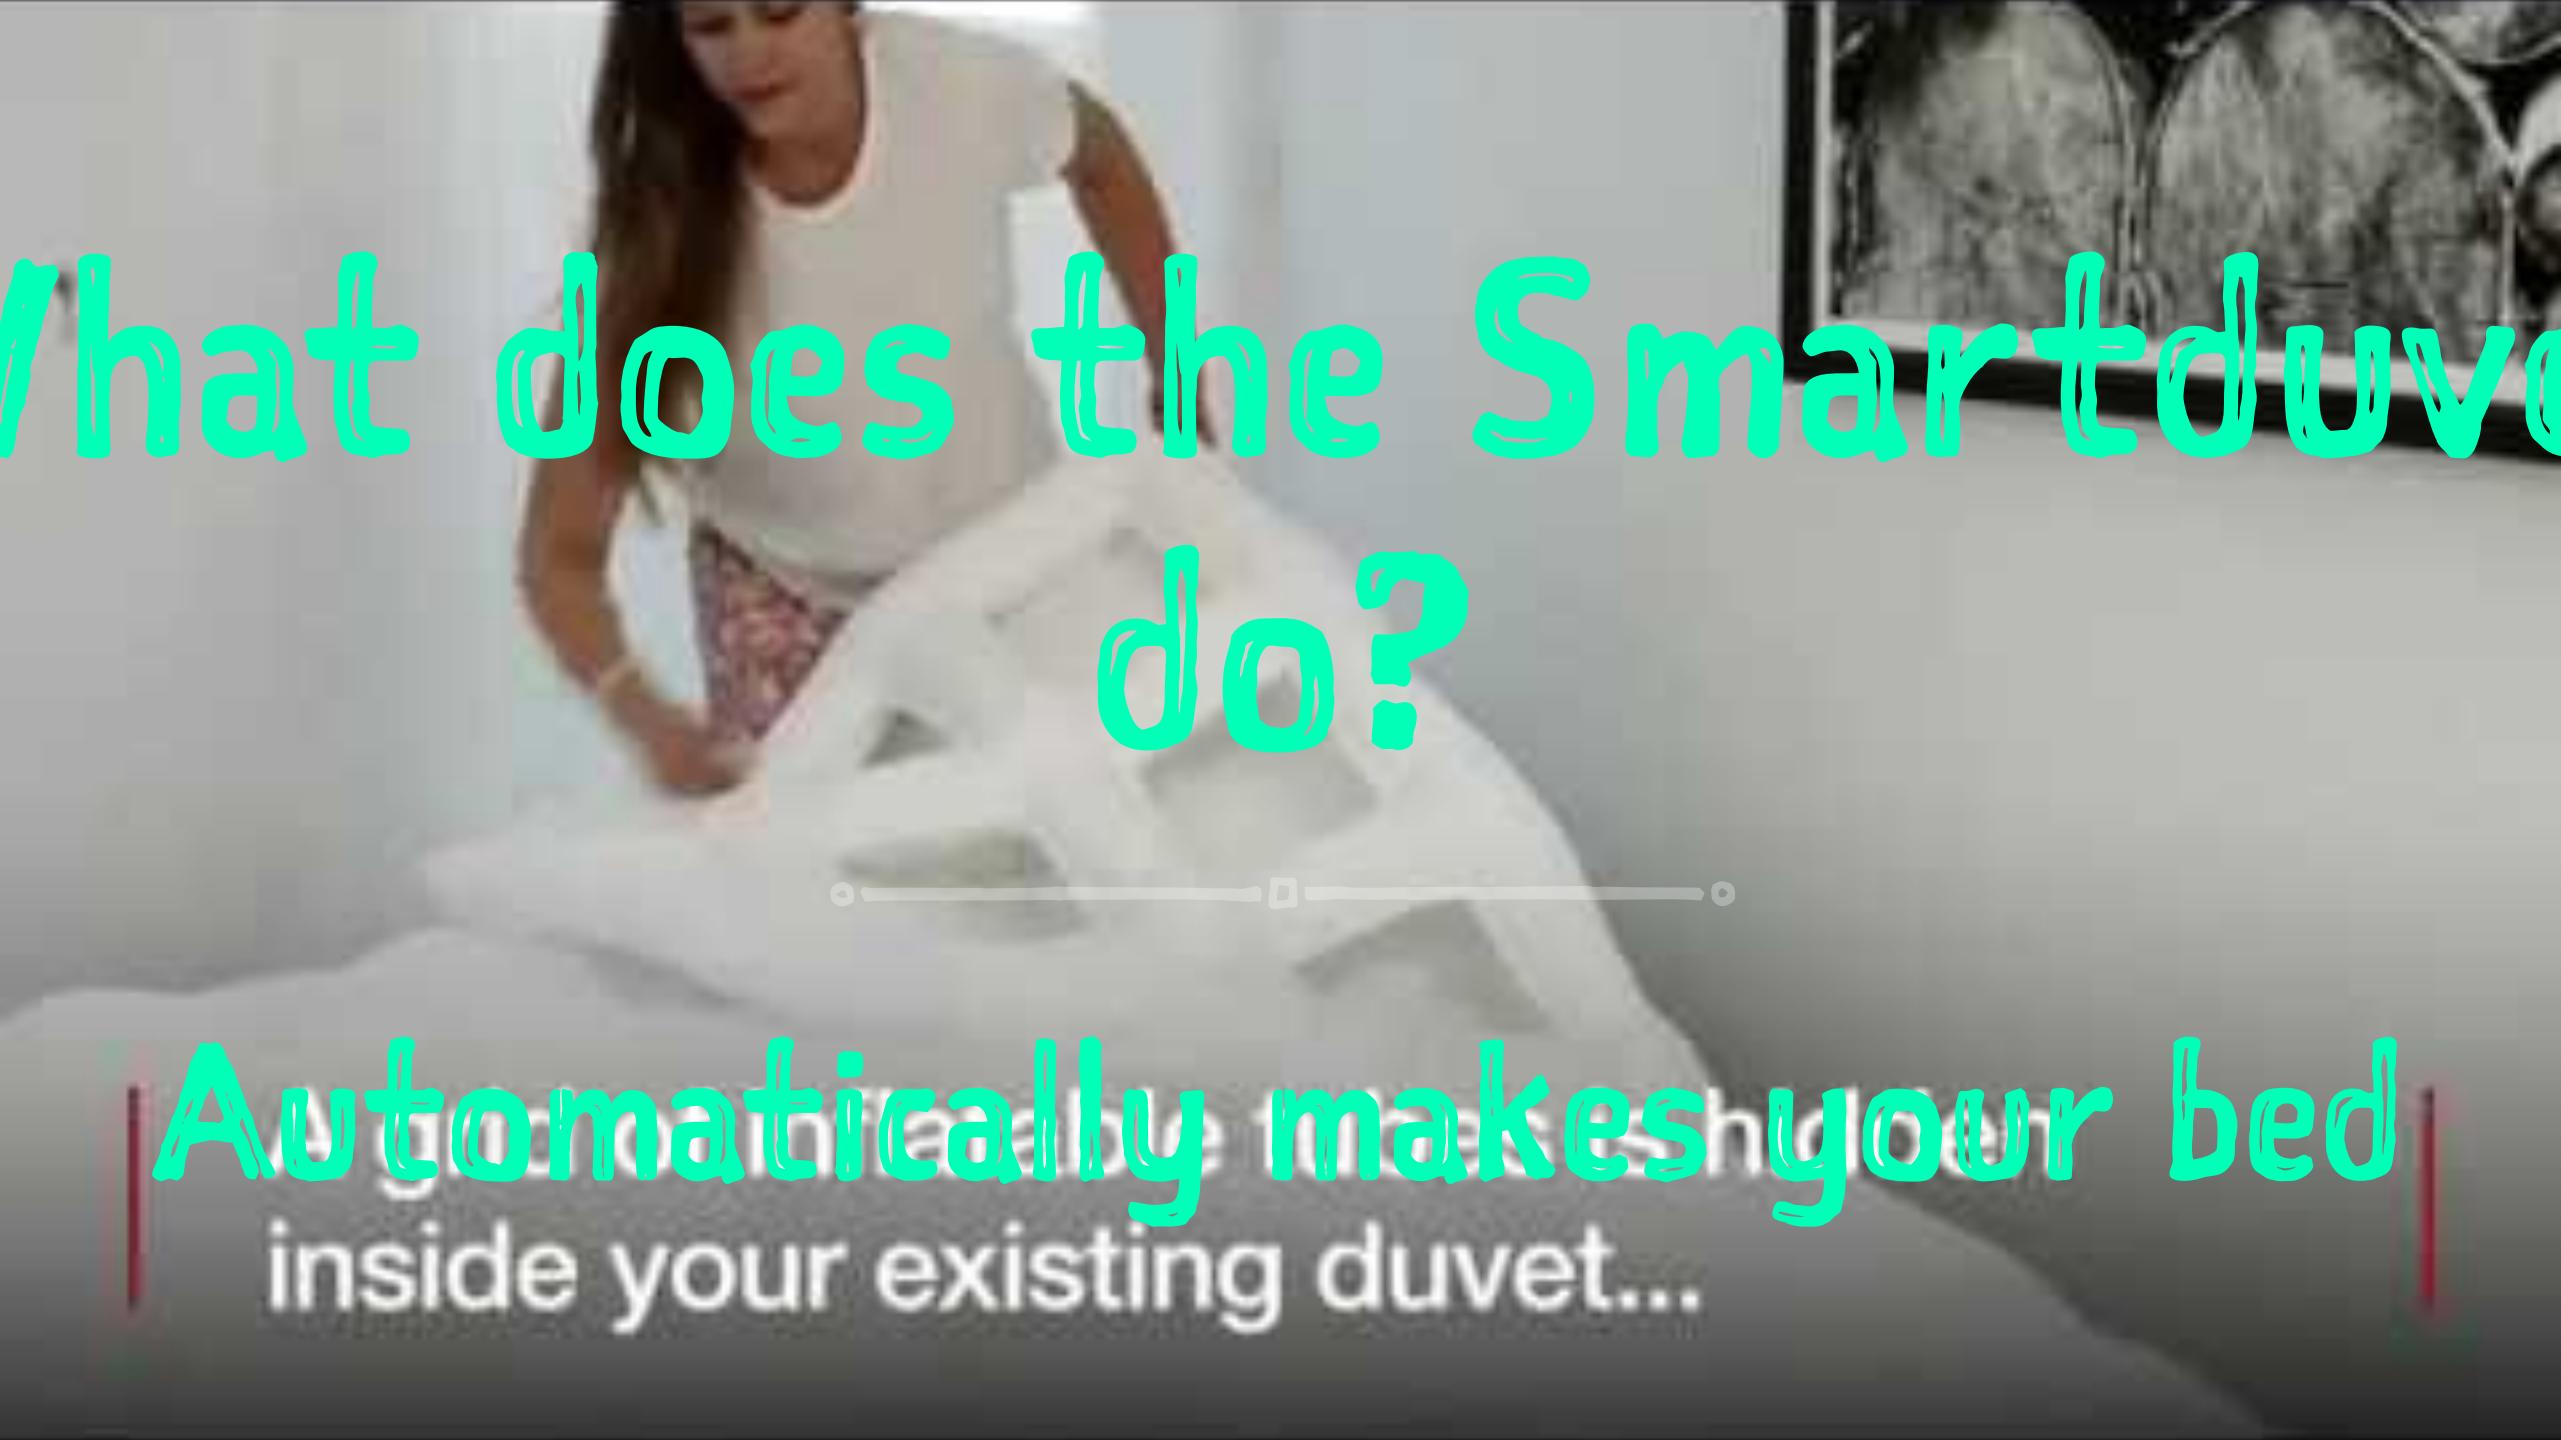

What is Homer Simpson's
brother's name?

Herb Powell

A black and white photograph of a Juicero juicing machine. The machine has a digital display screen showing the brand name "Juicero" and the words "Sweet Greens". A juice carton is positioned in front of the machine, and a glass bottle of juice is on the right side.

What does the Juicero do?
How much does it cost?

It's a \$700 DRM'd juicing machine

A woman is shown from the waist up, wearing a light-colored t-shirt and patterned pajama bottoms. She is standing over a bed, holding a long, thin white rectangular device with a small screen and a button at the end. She is using it to smooth out the duvet cover on the bed. The bed has a dark wooden headboard and a white duvet cover. The background shows a window with a view of trees.

What does the Smartduvet do?

Automatically makes your bed
inside your existing duvet...

Complete this line: "Never
gonna give you up, "

" never gonna let you
down"

Gordon Moore, Vinton Cerf and Robert Khan have previously received the US Presidential Medal of Freedom for their contributions to computing. Can you name the two recipients this year?

Margaret Hamilton & Grace Hopper

Why is Ben Affleck sad?

During an interview with Affleck and Cavill for Batman vs Superman, the interviewer asked them how they feel about the mixed to negative reviews from critics the film has received so far. Cavill then took the lead in answering the question while Affleck remained in silence with a noticeably sad look on his face.
